GARDEN TEAM COMING

Big Base Ball Game, Garden City vs. Dodge City, Will Be Played Here On August 1.

On the afternoon of August 1, there will be a ball game at the new grounds here, which will attract more interest probably than any game of this season. It will be between the Garden City and Dodge City teams, and the local team here expect to win. The Garden team is a particularly strong one, the best it is said that town has ever had. The Dodge team for that day will be a fast one. At least seven out of the nine Dodge men will be particularly strong at the bat, and can put up a slugging match that will be hard to beat. The team will be: Dean, third base; Fields, first base; Bush, second base; Moore, catcher; Elder, center field; Seaman, short stop; Fowler, pitcher; Steele, left field; Beatty, right field. Carl Moore, who will catch, is working in a store at Spearville, and Elder is also from Spearville. Moore has been playing professional ball most of the time for a number of years. This will certainly be a real game.

The last game here was with the Jetmore team, with a score of Dodge City 7, Jetmore 1. Fowler pitched about out ball, but an error in the field let the visitors get a run in the fourth. Dean did a lot of clean playing on third base, and furnished some of the best features of the game. Fowler pitched a strong game, and is in fine form to go up in front of the Garden City team.

SAM BITLER CAUGHT.

Said That He Will Be Taken at Once to the Penitentiary.

Sam Bitler, convicted here for the murder of Mrs. Roseberger, in Kiowa county, and who escaped from the Reno county jail some time ago, was caught at Memphis Tenn., last Tuesday. He will be brought to Hutchinson at once, and will be taken from there to the penitentiary to serve a life sentence.

Bitler, after escaping from the Hutchinson jail, so it is said, hid about his old home at Eureka for a week or two. After going to Tennessee, he wrote letters to his mother, and to his wife who was at Hutchinson. A letter written to his wife was intercepted by the sheriff at Hutchinson, and Bitler's whereabouts learned. It only remained then to wire the police at Memphis to arrest him, and this was done.

The \$800 reward it is said will go to a policeman at Memphis, but the Reno county sheriff will probably get a share of it.

Bitler's lawyer who was here soon after the clients escape was attempting to get a new trial, and thought he had a good chance of success. When he appeared before the court here, he was not heard on account of the escape of his client. Bitler is now where there is nothing more to do but serve his sentence, and even if he could have anything done, he is still eligible to the penitentiary for jail-breaking.

WM. LEATHERWOOD DIES.

Death Came Suddenly From Stroke of Paralysis, After He Had Been About Town All Day.

William A. Leatherwood, who for many years has been a well known citizen here, passed away very suddenly on Wednesday evening. He had been about town during the day, and while at the supper table had a stroke of paralysis. This occurred at 6 o'clock, and he lived only to 10:30. Funeral services were held from his late home in the west part of town this evening at 4 o'clock.

Mr. Leatherwood for many years was engaged in teaching in the public schools. For a time he farmed, but the most of his life's work was in educational lines. He leaves a wife and family.

ARE YOU FROM IOWA?

Iowa Settlers Wanted For Reception Committee For Hon. W. P. Hepburn At the Reunion.

All Iowa settlers of Ford county should send in their names to W. T. Coolidge. Those who are on the Reunion committee want to find how many Iowa settlers there are in the county, and get their names as soon as possible. The big attraction in the way of a speaker at the coming reunion will be the Iowa Statesman, Hon. W. P. Hepburn. The Iowa settlers will certainly be proud to meet this distinguished Iowa, and they will no doubt take a pleasure in serving on the special reception committee arranged in his honor.

The Iowa settlers should not delay in sending in their names to Mr. Coolidge.

Here is Certainly

We are established right here where you live, and we would not dare promise your money back for the mere asking if R-xall Kidney Remedy fails to satisfy you, except we are certain it will do as we claim. Try it at our entire risk. 50 cents per box. Rath & Bainbridge.

Why Not Try It?

We know exactly what is implied when we offer to furnish free treatment for the kidneys if it fails to produce satisfactory results. Surely there is no good reason why you should hesitate to try R-xall Kidney Remedy when we take all the risk. 50c per box. Rath & Bainbridge.

Thomas Murphy and Tina Pauline Maskus, both of Dodge City, were married on last Saturday evening, Judge Preston officiating.

MOVES TO DODGE

Mr. Brown Who Intends to Build the Southwest Railroad Will Move Here Next Week.

Mr. Brown who has been at work on the Southwest railroad project, is not a quitter, and the little delays that have come up have not discouraged him a particle. He was here Tuesday and says that he considers the chances for building the road good. In a few days he will come to Dodge City to locate, and will then give all of his time to the railroad enterprise.

Mr. Brown is thoroughly convinced that the people of the counties southwest of here will soon see that his plan is the one best calculated to build the road. He is sure that the road can be built, and says he is encouraged right now to go to the work harder than ever.

ONE HUNDRED AUTOS IN PARADE.

THE attempt will be made by some of the local auto owners and the Reunion Association to have a great display of autos in the parade at the Reunion next month. Ford county is now noted for the large number of autos owned. Fine machines are plentiful in Dodge City, but there are a still greater number of them owned over the county. It should be easy to have a hundred autos in the big parade which will be given Reunion week, if the auto owners will take an interest in the matter. There will be prizes offered for best decorated autos, and the machines ought to make a great feature of the parade.

THEY'RE CHEERING HULIT.

Kansas-Colorado Railroad Project Leader Bursts Into The Lime Light Again.

The Pueblo people, like the Dodge City folks took their turn at bow-wowing, and boo-hoing over Hulit, the Kansas-Colorado railroad promoter. Now, again they are waving their hats and shouting themselves hoarse, and telling each other that Hulit has come on the scene again, and that he has strong backing, and money in the bank at Pueblo to pay all back bills and build all the rail roads he has ever talked about.

Hulit and his reorganized company has been getting a lot of attention in Colorado for the past two weeks. He has a number of prominent Kansas men in the new company, and plenty of financial backing.

If they get the franchise asked for at Pueblo they expect to begin work at once. The first years work is to build the electric line from Canon City to Pueblo, and the Transmission lines down the Arkansas Valley as far as Dodge City.

Hulit is the man who announced last year that he was going to "electrify" the Arkansas valley, and he says now that he is ready to begin the work.

FRANK DUDA DEAD.

Old Settler Of Dodge City Passed Away Last Sunday. Had A Remarkable War Record.

Frank Duda, the harness maker, who had been very sick for several weeks passed away last Sunday night. He was between 73 and 75 years of age, and had lived here for the past thirty years. Mr. Duda was an old soldier, and was a charter member of the Lewis Post No. 294 G. A. R. He enlisted from New York City in 1861 in Adolph Voegles' Company "B", 1st Battalion New York Volunteer Artillery, under Colonel Andrew Brickel, and had a remarkable war record. During his service he was in over twenty of the most important engagements of the war.

This record was published some time ago by this paper as a remarkable and unusual one.

The remains of Mr. Duda were laid to rest by his old comrades last Tuesday, the funeral being in charge of the Grand Army post here. A funeral service was conducted by Rev. Bonsted, and the pall bearers were selected from the old soldiers.

REV. SOREY IMPROVING.

Pastor Of Christian Church Will Not Be Permanently Injured By Accident Of Last Week.

The many friends of M. Lee Soresy, pastor of the Christian church of Dodge City, who had a narrow escape from death last Friday, when his auto was struck by the Rock Island train is improving at the McCarty hospital, and will probably be out again in a few weeks. One of his injuries is a broken collar bone. He has a badly sprained back which may prove his most painful injury. His escape with his life is something wonderful. From the point where the auto was when the train caught it to the place where he was thrown was fully 60 feet, and he was thrown into the air fifteen feet high or more. Those who saw the accident had no other thought than that he was killed outright. He was picked up by L. L. Taylor, Ben Murphy and others who saw the accident. They found that he was still breathing, and started at once with him for town.

When the auto came off of the Arkansas river bridge, the jolt of the machine moved Mr. Soresy a little, and he recovered his consciousness at that time. He spoke two or three times on the way home. When the car reached his home he roused himself, and told those with him that he could walk into the house, and asked them to let him do so. He not only walked into the house, but after telling Mrs. Soresy that he was hurt, but not bad enough to worry over, he went up stairs, lay down and lost consciousness again, remaining in that condition for the next day or two.

Miss Minnie Brulington, of this city, and Mr. J. W. Dansey, of Topeka, were married at the home of the bride's parents on last Sunday morning. They will make their future home in Topeka, where they will be at home to their friends after September first.

Ed Boots, wife and daughter Florence, of Isabell, arrived in Dodge City Friday for a short visit with Mrs. Boots' aunt, Mrs. J. L. Measre.

R. W. Evans, Jr., who made the trip to the northwest and registered for the drawing of Indian lands, arrived home this week. At Missoula, Montana, he met B. F. Martin, C. O. Waring and J. M. Kirkpatrick of the Dodge City party that left here last week. R. S. Crane and John Miller got separated from the rest in Denver, Richard Bodysfield and Wilbur Clark were lost in South Dakota and T. E. French had gone through ahead to Spokane. There was a jar on all of the trains and everybody was having a continual fight to get anywhere.
